an abortion—

(I) if the pregnancy is the result
of an act of rape or incest; or

(II) in the case where a woman
suffers from a physical disorder, phys-
8

ical injury, or physical illness that
would, as certified by a physician,
place the woman in danger of death
unless an abortion is performed, in-
cluding a life-endangering physical
condition caused by or arising from
the pregnancy itself; and

(B) for which the total amount of Federal
and State expenditures under the Medicaid pro-
gram under title XIX of the Social Security Act
in fiscal year 2014 made directly to the entity
and to any affiliates, subsidiaries, successors, or
clinics of the entity, or made to the entity and
to any affiliates, subsidiaries, successors, or
clinics of the entity as part of a nationwide
health care provider network, exceeded

$350,000,000. §1,900,900

(a) IN GENERAL.—There are authorized to be appro-
priated, and are appropriated, out of monies in the Treas-
ury not otherwise obligated, $750,000,000 for each of fis-
cal years 2018 and 2019, to the Secretary of Health and
Human Services (referred to in this section as the "Sec-
retary") to award grants to States to address the sub-
stance abuse public health crisis or to respond to urgent
mental health needs within the State. In awarding grants
under this section, the Secretary may give preference to
States with an incidence or prevalence of substance use
disorders that is substantial relative to other States or to
States that identify mental health needs within their com-
munities that are urgent relative to such needs of other
States. Funds appropriated under this subsection shall remain available until expended.

(b) Use of Funds.—Grants awarded to a State under subsection (a) shall be used for one or more of the following public health-related activities:

(1) Improving State prescription drug monitoring programs.

(2) Implementing prevention activities, and evaluating such activities to identify effective strategies to prevent substance abuse.

(3) Training for health care practitioners, such as best practices for prescribing opioids, pain management, recognizing potential cases of substance abuse, referral of patients to treatment programs, and overdose prevention.

(4) Supporting access to health care services provided by Federally certified opioid treatment programs or other appropriate health care providers to treat substance use disorders or mental health needs.

(5) Other public health-related activities, as the State determines appropriate, related to addressing the substance abuse public health crisis or responding to urgent mental health needs within the State.
