## **FY 2018 BUDGET – TAX REFORM RESOLUTION**

*This budget resolution will help put our nation on a better fiscal track with a combination of restrained spending, reduced tax burdens, and a growing economy.*

### **Pro-Growth Tax Reform** ***More Jobs, Fairer Taxes and Bigger Paychecks***

#### **Tax Relief for Hardworking Families can:**

- Lower taxes so working families can keep more of their hard-earned dollars;
- Allow families to better provide for their children;
- Increase jobs and wages for American workers; and
- Spark savings and investment across the country.

#### **Pro-Growth Tax Reform can:**

- Keep good-paying jobs here at home and improve American competitiveness;
- Lower taxes on American small businesses;
- Provide increased economic growth;
- Allow U.S. companies to better compete both here and overseas; and
- Make the United States a more attractive place to invest, do business, and keep jobs at home.

#### **A Simplified Tax Code can:**

- Lift the overly burdensome and costly process for calculating and reporting taxes; and
- Reduce the amount of costly loopholes and complex tax breaks.
